## **February 23, 2026 Board of Trustees Meeting**

It was recommended to combine the two CD accounts into one account and put any interest monies over the \$400,000 base amount into the General Fund.

Dog Control (A3510.4) is now zeroed out, saving \$4900. No changes to Street Maintenance (A5110.4) line until Mayor Briffa consults with Superintendent Page regarding oil, stone and seal fog road maintenance quotes.

Discussed moving forward in this budget year on obtaining an up-to-date code book. Question was asked how future code changes work as far as adding to the book to keep updated and what costs are involved. Deputy Clerk Bodratti will reach out to the company regarding additional costs and a new quote. The 2026-2027 budget would then not have any expenditure listed under Zoning Contractual (A8010.4)

The Village has nothing budgeted towards the Main Street Grant for the 2026-2027 budget year.

Discussed various tax percentage increases as outlined in prospective budget. If electing an increase of 10% to this year's tax levy. Tax increase would only result in an increase of \$2,172 in the total levy amount which is less than what the tax levy was in 2023. Discussed if the tax levy had not been decreased by 40% in 2013 there would not be a need for any current tax increases.

Motion to increase 2026-2027 Village tax by 10% made by Trustee Rizzo, 2<sup>nd</sup> by Trustee Jacobs.
